

Assembly Instructions MBA3

Included:

x4 Allen key base
to leg screws

x4 Phillips head bracket
to leg screws

x4 Phillips head snap
frame to bracket screws

x2 Legs

x1 Base

x2 Brackets

x1 Snap Frame

1.

Using the supplied Allen key
attach the two legs to the
base with the four screws
from the bottom upwards.

2.

Screw the two brackets to the
legs with the four large Phillips
head screws.

3.

IMPORTANT Using the four
small Phillips head screws,
screw the snap frame to the
bracket from the inside of
the snap frame towards the
bracket, **via the inner hole,**
not the outer hole.
